1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1, 7, 13 and 18.

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"an optical conductor positioned approximately at the specified depth within the seal body such that deterioration of the seal body beyond the specified depth causes a change in the optical conductor"** and **"a sensor for detecting the change in the optical conductor"**, in combination with the rest of the limitations of claim 1.

As to claim 7, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"an optical conductor positioned relative to the seal body such that abrasion of the seal body beyond the specific depth causes an optical discontinuity of the optical conductor, indicating a need for seal body replacement"**, in combination with the rest of the limitations of claim 7.

As to claim 13, the prior art of record, taken alone or in combination, fails to disclose or render limitations **"associating an optical conductor with the seal such that abrasion of the seal beyond the specified depth causes optical discontinuity of the optical conductor, indicating a requirement for seal replacement"**, in combination with the rest of the limitations of claim 13.

As to claim 18, the prior art of record, taken alone or in combination, fails to disclose or render limitations **“an optical device positionally associated with the seal body such that deterioration of the seal body beyond the specific depth causes the optical device to detect a change with respect to the seal, indicating a need for seal replacement”**, in combination with the rest of the limitations of claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
